SIMPLY THE POWER YOU NEED!

Nilfisk POWER: For those who want excellent cleaning results. Do you want a smart vacuum cleaner that has a powerful 2000W motor for excellent dust pick-up, a HEPA filter to trap allergens, a really low sound level, and a robust and reliable design? Nilfisk Power is the one.

Impressive performance combined with a functional design makes cleaning as easy and as pleasant as it can be. The machine has high quality nozzles and on-board accessories, a soft handle, and click connections between hose, tube and nozzle. It is also possible to adjustable the power so that it can be set to the specific cleaning task. The 8m cable give a large operation radius.

PRODUCT FACTS

- Concentrated power, 2000W max motor: impressive performance gives you an excellent cleaning result.
- 5 year guarantee
- HEPA filtration: HEPA filter will help put a lid on allergies. Dirt comes in, and clean air comes out.
- Silent: Silent enough, so you still can hold a conversation while you vacuum.
- Robust design: Long lasting and functional for many years to come.
